

Χαίρετε (Hello)! It's Kaleigh!

If you didn't know, I am a freshman at Vanguard University of Southern California studying Sociology and Women's Studies. I am pursuing a future in anti-human trafficking wherever God will take me, but as of now, that future isn't too far away, I hope...

If you didn't figure out by my salutations, I am going to GREECE (God willing)! I have recently been accepted to participate in the Global Center for Women and Justice's study abroad intensive to Greece from June 17th-27th. This course will focus on contemporary human trafficking and slavery, including sex trafficking, forced labor, and domestic servant slavery in Greece.

So here;s how the money goes:

There are payment dates that I have to meet. By December 23 I have \$500 payment, 1/29/17 I must pay 25% of my trip fee, 2/26/17 I must pay 50%, 3/26/17 I must pay 75%, and finally by 4/23/17 I must have my whole trip paid for. I know I'm throwing a lot of numbers at you, but here are the ones that count (get it... "count")! The whole course will cost \$2865 (tuition: \$1065, travel: \$1800). Guys, this doesn't even include airfare, which I estimate to be around \$1,400 (we must find our own flights just so we can have the flexibility to look around and travel). In total, this estimate to about \$4500!!!! All the money will be used towards my trip to Greece (tuition, travel, flights, food, etc.)

People, this is HUGE for me! This is the first step of my future. This trip not only is educational and missional, but most importantly I get to get my feet wet in in the field that I want to pursue for the rest of my life! I am not here at VU because I want to get an education so I can earn a good salary and live the American (or Canadian) dream, I could care less! I am here because I want to gain the skills to reach a people who are exploited and

need to know the love of Jesus. I feel strongly that God is calling me into this field, and has provided me with every opportunity to pursue it. I just need some help to achieve my calling.

So I am here to ask for your help! Please, I would love prayer for strength, funds, a heart open to what God has for me and our team.

Would you like to help me reach the lost and exploited victim of human trafficking in Greece? This is truly a chance of a lifetime and a jump-start to my future! I would be so thankful for any amount of support!

Thank you so much for taking the time to check this out!

Have a fantastic day! :D

P.S. Since I will be in Greece, I would love to travel to Macedonia— which is right above Greece— to visit one of my best friends who was an exchange student at my high school. So If I have any extra money, I hope to make the trip to visit her.
