MERRY CHRISTMAS FROM THE STAFF OF GLEANINGS FOR THE HUNGRY

"And the Word became flesh, and dwelt among us (and we beheld his glory, glory as of the only begotten from the Father), full of grace and truth." John 1:14
This mother and child are HIV positive. Since we took them into our program in January, they have been thrown out of 4 places because they are so ill. Nobody wants the ‘responsibility’ of having to ceremonially wash down their houses with cow blood for cleansing after they die!!

Director’s Corner

Psalm 95:6-7 says; “Come, let us bow down in worship, let us kneel before the LORD our Maker; for he is our God and we are the people of his pasture, the flock under his care.”

Greetings servants of the Lord! In His grace and mercy the Lord has been working in our hearts and teaching us that worship needs to be a lifestyle. All we do should be worship unto the Lord. Our prayer is that as we serve together, our sacrifice of praise will enter the heavenlies as worship unto the Lord. Our part is to work with the right heart attitude and it will bring honor to God, for He is worthy of all our worship and praise!

Please pray with us as we ask God to give us the nations as our inheritance (Psalm 2:8). Ask for an abundance of food to be released from the Lord’s bountiful storehouse to ship to those nations. Our prayer is that God is glorified and many thousands will come to know Jesus through the distribution of the food that is sent from here. We are preparing to start soup production early January and we are expecting God to do even greater things this season. Also pray for finances to purchase more vegetable products.

God bless you and thank you for your faithful support.

SOUTH AFRICA

Container Ministry, a ministry of Grace Family Church in Durban, South Africa, receives incoming containers from Gleanings For the Hungry. They arrange for necessary permits, get containers through the harbor and into storage facilities. They then distribute the food throughout their network of over 130 Christian organizations in KwaZulu Natal and Southern Mozambique. They are frequent recipients of shipments from Gleanings For The Hungry. Here is a report from various ministries in South Africa that receive our food.

Izulu Orphan Project

“The soup is a real blessing to this ministry to orphans and widows affected by HIV and Aids. “We handed out a lot of the soup to our families at our last church service.”

“Yvonne is a wonderful little girl. She and her sister live with their young aunt. Her mother died of Aids. The girls had different fathers and both are unknown.”

Soup distribution in Greyville

Edwaleni Church & Care Center, Mthubatuba

“Our children really LOVE the new soup pack mix. I can serve it day after day and they say it’s delicious! Thanks SO much. Without the support we would be in a real fix!!”
