## 5. Deposit

Please pay online or send in your team's **deposit** by **March 31, 2024**. The deposit is **\$50** per person and is **non-refundable**. The deposit will secure your reservation and the number of spaces your group requires. If you anticipate your group's numbers will be less than reserved, please notify us immediately. Any extra spaces can then be given to a team on the waiting list. The **remainder of your fee** is due upon your arrival.

## 6. Group Roster

## 9. Evening Activities

**Monday** night is our **Missions' Focus** at 6:30 pm. We will be connecting with one of our partners around the world via ZOOM so that we can meet them, hear what God is doing with the food that your team helps to produce, and see some of the people whose lives have been changed because of you!

**Tuesday and Wednesday** nights are free nights. We have a swimming pool, sand volleyball court, basketball court, and a play field for you to enjoy. Along with the fun-time evening activities, we strongly suggest you come with a spiritual focus for your free evenings. You may use the facilities provided for your devotions and team activities.

We also may have some further organized events that will be announced during orientation on Monday morning.

**Thursday** night is a highlight, with our Love Feast that starts at dinner time and ends around 8 pm. We will have nice decorations on the tables, worship, and a guest speaker with an evangelistic message.

## 10. Worship Leaders

There is an opportunity for your team to lead us in morning worship one or more times during the week. If you have a worship leader and/or worship team in your group, please let us know in advance and come prepared to lead. We do have an overhead projector, a keyboard, drums, congas, a base guitar, and one or two guitars you could use while you are here. Feel free to bring your own music equipment as well!

## 12. Sulfur Alert

Please advise your team about the light dusting of sulfur that is placed on the peaches before they go into the field to dry. If anyone has allergies to sulfur, we ask that they use caution if they plan on participating in our ministry.

## 13. Laundry

Please note that laundry machines are **only** to be used for emergencies. If you really need to use a machine, **please ask our housekeeping manager** for permission and the required soap. The cost per load is \$1.

Peach covered clothes and shoes can be hand washed and dried outside. **DO NOT** wash them in the laundry room! Thanks for your understanding.
